SUBJECT { GENERAL Operational/CART/CARAVEL  
SPECIFIC Invitation and Funds for CARAVEL's Trip to PAPRIME

REF: EGNA-10694

**ACTION REQUIRED:** Please advise when invitation should be extended and forward recommendations for covert financing of trip.

1. Following your suggestion in reference, we have now determined that arrangements can be made to have Identity 1 extend an invitation to GARVEL to visit PBPRIME when it is most convenient for him. This is accomplished through the good offices of [ ] We will await your advice as to when this should be done.

2. We have also determined that it will be possible to have a program of the type alluded to in reference arranged through the same channels.

3. Identity 1 will not be able to help with the financing of the trip, even to the extent of covering funds we would give them since they do not subsidize trips. Even if we could persuade them to do so, this would provide at best, very thin cover. Therefore, it will probably be necessary to work out special arrangements with CARTEL to provide him with the necessary funds. This will of course have to be exceptionally well covered. No ready solution to this problem is apparent, however, it is presumed that you will be able to offer some recommendation as to how this can be done.
